

Garlic Yogurt Shawarma Sauce

Yield: 4-5 servings

Prep Time: 5 mins

Cook Time: None

Ingredients:

1 cup greek yogurt
1 tablespoon extra virgin olive oil
1 tablespoon fresh lemon juice
1 teaspoon minced garlic
½ teaspoon salt, plus more as needed
1 tablespoon milk, plus more as needed

Directions:

1. In a small/medium bowl, stir together the yogurt, extra virgin olive oil, lemon juice, garlic, and salt.
2. Add the milk. If you feel that the sauce is too thick, you should add more milk. Add 1 tablespoon at a time, to thin it to your desired consistency. Season it to taste with salt.
3. This sauce can be stored for up to 5 days in an airtight container in your refrigerator.
